

ANNUAL PREORDER PLANT SALE 2025

For over 50 years, the Garden Club has helped beautify our neighborhood. Your purchase supports our projects, including maintenance of the "Hill" at College Parkway and Nelson Street, as well as speaker fees and regular donations to local charities. Thank you! **WE WELCOME ALL NEIGHBORHOOD RESIDENTS TO JOIN THE GARDEN CLUB.**

gardenclubofcollegegardens@gmail.com

ORDERS DUE BY SATURDAY, APRIL 12

Print this flyer

Mail / bring orders to:

Jennifer DeMatteo
903 Princeton Place
301-502-3840 jennifer@restoresight.org

Pick up: SATURDAY, APRIL 26 11am to 2pm

6 DUKE COURT—Payment plus 6% tax

is made at time of pick up. Payment by check or cash only.

Extra plants will be available day of pick-up.

Please **PRINT CLEARLY** your name, address, phone number, and email address.
(This is important in case we have a question about your order)

NAME: _____

ADDRESS: _____

PHONE: _____

EMAIL: _____

Orders will be filled in the order in which they are received. A 10% discount is given on orders that total \$120.00 or more. 6% tax does not count towards this total for discount.

Please clearly write the number of plants you wish to order.
DO NOT WRITE IN THE FLYER MARGINS. THANKS.

Codes: N = native / native selection, DR = deer resistant, DT = drought tolerant once established
() = common name, 🐦 = birds, 🌼 = pollinators, 🦋 = butterflies,
☀ = sun, ☺ = semi-shade, ● = shade.

(all newly-planted material must be watered whether in ground or pots)
See the Addendum for more information about the plants.

For photos and additional details go to www.babikow.com or <https://www.collegegardens.org>.

THANK YOU FOR YOUR ORDER

Many of this year's perennials are natives/native selections.

Ideas for color/texture/fragrance plant combinations are included in the addendum, as well as pictures and additional information. Go to <https://www.collegegardens.org> (Garden Club in the menu bar).

Ideas for containers that **Thrill, Fill, and Spill**:

Thriller: Plants with height which give bold impact.

Filler: Plants that fill in the width of the pot, creating bulk.

Spiller: Plants that trail, cascade over the pot.

See addendum for plant ideas.
